I'D LOVE TO BUT *I CAN'T MAKE IT!*

Activity 1 – Song

https://www.youtube.com/watch?v=FEqdDdvFXZo

You're picking up toys on the living room floor for the 15th time today
Matching up socks
Sweeping up lost cheerios that got away

You put a baby on your hip
Color on your lips and head out the door

While I may not know you,
I bet I know you
Wonder sometimes, does it matter at all?

Well let me remind you, it all matters just as long
As you do everything you do to the glory of the One who made you,
Cause he made you,
To do
Every little thing that you do
To bring a smile to His face
Tell the story of grace
With every move that you make
And every little thing you do

Maybe you're that guy with the suit and tie
Maybe your shirt says your name

You may be hooking up mergers
Cooking up burgers
But at the end of the day

Little stuff
Big stuff
In between stuff
God sees it all the same

While I may not know you
I bet I know you
Wonder sometimes, does it matter at all?

Well let me remind you, it all matters just as long
As you do everything you do to the glory of the
One who made you,
Cause he made you
To do
Every little thing that you do
To bring a smile to His face
Tell the story of grace
With every move that you make
And every little thing you do

Maybe you're sitting in math class
Or maybe on a mission in the Congo
Or maybe you're working at the office
Singing along with the radio

Maybe you're dining at a 5-star
Or feeding orphans in the Myanmar
Anywhere and everywhere that you are

Whatever you do
It all matters
So do what you do
Don't ever forget

To do everything you do to the glory of the One who made you,
Cause He made you
To do
Every little thing that you do
To bring a smile to His face
And tell the story of grace

As you do everything you do to the glory of the One who made you,
Cause he made you
To do
Every little thing that you do
To bring a smile to His face
And tell the story of grace
With every move that you make
And every little thing you do

In every little thing you do
In every little thing you do

It is very religious but fun and catchy. Don't show them the video or send them the link as we don't want to prepare this at home. Competing in teams, they have to run up and take the image corresponding to the words they hear. The team with the most images at the end wins.
