One dark night
she slipt her iron chain, and of she ran
to Hindustan and was never seen again

Nellie the elephant pack her trunk and
said goodbye to the circus
of she road with a trumety trump
trump trump trump

Nellie the elephant packed her trunk
and trumbled of to the jungle
of she road with a thrumety trump

Night by night she danced to the circus band
When Nellie was leading the big parade she looked
so proud and grand

No more tricks for Nellie to performe
They taught her how to take a bow and she tooked
to crowd by storm

on the road to Mandaley
