BLING BLING Teachers sheet

I’m not a big fan of posh restaurants and flash cars, I prefer to enjoy the simple pleasures of life. I hate people who flash their cash and show off with posh clothes and a load of expensive watches and bling. I’m not a shy person or in any way reserved, so this might surprise some people, I often play to the gallery and I like to get a lot of attention. However I hate ostentatiousness.

Seems like everybodys got a price,
I wonder how they sleep at night.
When the tale comes first,
And the truth comes second,
Just stop, for a minute and
Smile:)

Why is everybody so serious!
Acting so damn mysterious
You got your shades on your eyes
And your heels so high
That you can't even have a good
Time.

Pre-chorus.

Everybody look to their left (yeah)
Everybody look to their right (ha)
Can you feel that (yeah)
Well pay them with love tonight...

Chorus:

It's not about the money, money, money
We don't need your money, money, money
We just wanna make the world change,
Forget about the Price Tag.

Ain't about the (ha) Ka-Ching Ka-Ching.
Aint about the (yeah) Ba-Bling Ba-Bling
Wanna make the world change,
Forget about the Price Tag.

Verse 2.

(Listen, Okay.)
We need to take it back in time,
When music made us all UNITE!
And it wasn't low blows and video Hoes,
Am I the only one gettin... tired?

Why is everybody so obsessed?
Money can't buy us happiness.
If we all slow down and enjoy right now
Gurantee we'll be feelin
All right.

Pre-chorus.

Everybody look to their left (yeah)
Everybody look to their right (ha)
Can you feel that (yeah)
Well pay them with love tonight...

Chorus:

It's not about the money, money, money
We don't need your money, money, money
We just wanna make the world change,
Forget about the Price Tag.

Wanna make the world change,
Forget about the Price Tag.
