Activity Two – **Reading – The Definition of love**.

Love is any of a number of emotions related to a sense of strong affection[1] and attachment. The word love can refer to a variety of different feelings, states, and attitudes, ranging from generic pleasure ("I loved that meal") to intense interpersonal attraction ("I love my wife"). This diversity of uses and meanings, combined with the complexity of the feelings involved, makes love unusually difficult to consistently define, even compared to other emotional states.

As an abstract concept, love usually refers to a deep, ineffable feeling of tenderly caring for another person. Even this limited conception of love, however, encompasses a wealth of different feelings, from the passionate desire and intimacy of romantic love to the nonsexual emotional closeness of familial and platonic love[2] to the profound oneness or devotion of religious love.[3] Love in its various forms acts as a major facilitator of interpersonal relationships and, owing to its central psychological importance, is one of the most common themes in the creative arts.

Questions – Do you agree with this definition of love ? Is this the way you would have defined love ? Why do you think that love is such a common theme in the creative arts ?

Activity Three – Give a little Bit.
Listen to the song and read the lyrics -

Give a little bit
Give a little bit of your love to me
Give a little bit
I'll give a little bit of my love to you
There's so much that we need to share
So send a smile and show you care

I'll give a little bit
I'll give a little bit of my life for you
So give a little bit
Oh give a little bit of your time to me
See the man with the lonely eyes
Oh take his hand, you'll be surprised

Oh take it
Come along

(LOVE!!)

Give a little bit
Give a little bit of your love to me
I'll give a little bit
I'll give a little bit of my life for you
Now's the time that we need to share
So find yourself, we're on our way back home

Oooh we're going home
Don't you need, don't you need to feel at home?
Ah yeah, we gotta sing
Ooo yeah, gotta get a feelin'
Ooo yeah come along too
Yeah, come along too, hey
Come'a, come'a, come'a, come along
Take'a, take'a, take'a look yeah
Ooo yeah, come along too
Yeah, come along feel it
Say take a look
Come along too
For a long ride
Come a long way
Oh sing it tonight
