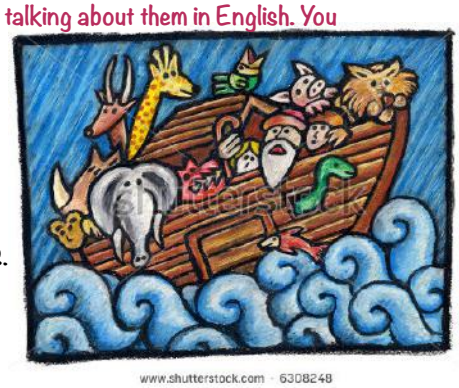
The Animals Went in Two by Two.

In this lesson we will talk about animals, learn more about how they live and move and practice talking about them in English. You should know the names of lot's of animals by now!



Activity One - Different types of animals.

There are five different ways we can class animals:

- MAMMALS REPTILES BIRDS AMPHIBIANS FISH

Let's find out more! Let's watch the **presentation** about animal classifications.

Activity Two - On the board.

Now let's play! You name an animal or draw one on the board and your classmates have to say what type of animal it is!

Activity Three -Songtime. Let's learn a new song about Noah's Arc! **The animals went in two by two...**

http://www.youtube.com/watch?v=luQjR2lsY10

http://www.youtube.com/watch?v=R_1-ZDv9IMA

The animals went in two by two

The animals went in two by two, hurrah! hurrah!
The animals went in two by two, hurrah! hurrah!
The animals went in two by two, the elephant and the kangaroo

And they all went into the ark, for to get out of the rain.

The animals went in three by three, hurrah! hurrah!
The animals went in three by three, hurrah! hurrah!
The animals went in three by three, the wasp, the ant and the bumble bee

And they all went into the ark, for to get out of the rain.

The animals went in four by four, hurrah! hurrah!
The animals went in four by four, hurrah! hurrah!
The animals went in four by four, the great hippopotamus stuck in the door

And they all went into the ark, for to get out of the rain.

The animals went in five by five, hurrah, hurrah!
The animals went in five by five, hurrah, hurrah!
The animals went in five by five, they warmed each other to keep alive

And they all went into the ark, for to get out of the rain.

The animals went in six by six, hurrah! hurrah!
The animals went in six by six, hurrah! hurrah!
The animals went in six by six, they turned out the monkey because of his tricks

And they all went into the ark, for to get out of the rain.

The animals went in seven by seven, hurrah! hurrah!
The animals went in seven by seven, hurrah! hurrah!
The animals went in seven by seven, the little pig thought he was going to heaven

And they all went into the ark, for to get out of the rain.

Activity Four - Discussion.

- Which different animals are in the song?
- What type of animals are they?

Activity Five: Animal Card Games:

- Now **find your partner** - someone else in the class has a matching animal card. Quickly find who your partner is!
- Now let's play **animal snap!**
- Let's play **memory** now and see if you can remember where the matching cards are!

Activity Six: Answer the questions.

Now each take a card and answer the questions :

-Who's got the animal with a long trunk?

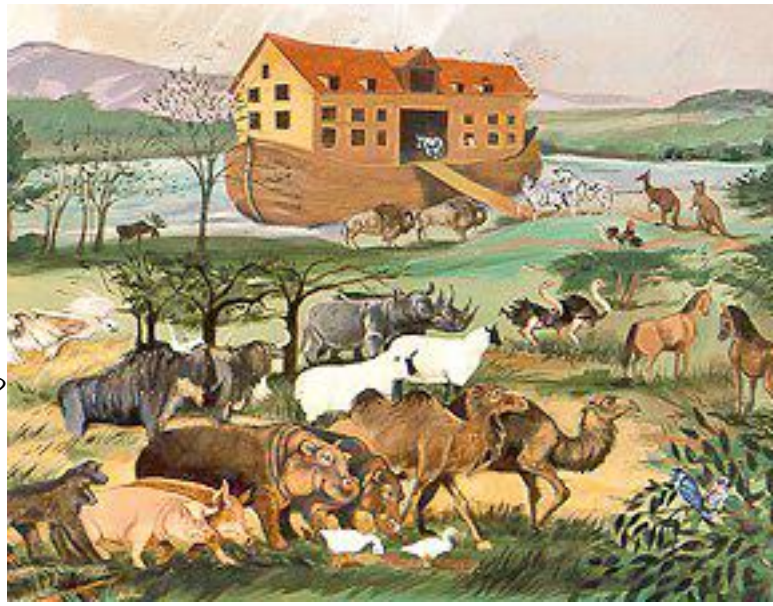
-Who's got the animal that says "moo"?

-Who's got the animal with a beak and feathers?

-Who's got the animal that's long and thin?

-Who's got the animal that roars?
-Who's got the animal with long ears?
-Who's got the animal that moves very slowly?
-Who's got the animal that says "ooh, ooh, ooh"?
-Who's got the animal that's black and white?
-Who's got the animal with whiskers and a long tail?

-Who's got the animal with a hard skin?
-Who's got the animal that says "baa"?
-Who's got the animal that gives milk?
-Who's got the animal that likes carrots?
-Who's got the animal that moves with its house on its back?



Activity Seven - Animals Moving.

What was it like when the animals went into the ark?

Let's learn more about how animals move with the **presentation**:

Now with your animal partner imagine you are going into the ark. How do you move?

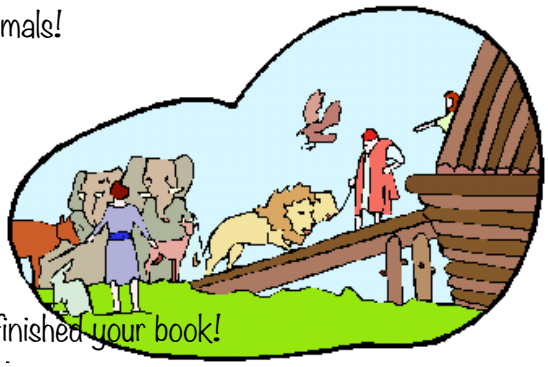
- Move like a spider.
- Move like a Dolphin.Move like a panther.
- Move like an elephant... etc..

Activity Eight- Painting time.

Paint your own Ark - on the special paper paint a lovely picture of Noah's Ark to take home.

Activity Nine - Baby Animals.

All the animals in the ark had babies and so there were more and more animals!
Let's find out more about baby animals with the presentation!



Activity Ten - Story Time!

Now let's read the story of Noah's Ark and decorate your own mini book!

See if you can get the sequencing cards in the right order when you have finished your book!
