Colour Me Beautiful

Activity One – *(In class not at* home) Listen to the song and fill in the gaps in the lyrics.

I am beautiful

Every day is so ……
And ……., it's hard to breathe
Now and then, I get ……
From all the ……., I'm so ashamed

I am beautiful no matter what they say
Words can't …… me down
I am beautiful in …… single way
Yes, words can't bring me down
So don't you bring me down ……

To all your friends, you're delirious
So consumed in all your doom
Trying hard to fill the …….
The piece is gone left the puzzle undone
That's the way it is

You are beautiful no matter what they say
Words can't bring you down
You are beautiful in every single way
Yes, words can't bring you down
Don't you bring me down today...

No matter what we do
(no matter what we do)
No matter what they say
(no matter what they say)
When the sun is …… through
Then the …… won't stay

And everywhere we go
(everywhere we go)
The sun won't always shine
(sun won't always shine)
But tomorrow will find a way
All the other times

'cause we are beautiful no matter what they say
Yes, words won't bring us down, oh no
We are beautiful in every single way
Yes, words can't bring us down
Don't you bring me down today

Don't you bring me down today
Don't you bring me down today

Activity Six

True Colours

Time for us all to sing!

You with the sad eyes
Don't be discouraged
Oh I realize
It's hard to **take courage**
In a world full of people
You can **lose sight of** it all
And the darkness inside you
Can make you **feel so small**

But I **see your true colors**
Shining through
I see your true colors
And that's why I love you
So don't be afraid to **let them show**
Your true colors
True colors are beautiful,
Like a rainbow

Show me a smile then,
Don't be unhappy, can't remember
When I last saw you laughing
If this world makes you crazy
And you've **taken all you can bear**
You call me up
Because you know I'll be there

And I'll see your true colors
Shining through
I see your true colors
And that's why I love you
So don't be afraid to let them show
Your true colors
True colors are beautiful,
Like a rainbow

Use the underlined words.
