turn left
it's on the left
take a left
take the second street on the left
Right
go right
turn right
it's on the right
take a right
take the second street on the right
Ahead
go ahead
go straight ahead
go straight on

Activity 7: Manhattan. Read the text and watch the extract.

Manhattan is a film by Woody Allen from 1979. It's famous for its atmospheric sound track and iconic views of beautiful New York City.

> "*He was too romantic about Manhattan, as he was about everything else. He thrived on the hustle bustle of the crowds and the traffic. To him, New York meant beautiful women and street smart guys who seemed to know all the angles*."

Watch the extracts and after each one, name and describe the places you saw in it.
