# THE EASTER BUNNY IS SO FUNNY

**Activity One** – The story of the Easter Bunny

**Activity Two** – Easter Bunny Song Time

**Song One**

I see the eggshells that I'm going to be painting
But I must wait till Easter
And look at the egg and I see it needs eating
But I must wait till Easter

I don't know how I can resist it
Cos I just love chocolate.

Easter is fun we can do painting for celebrating it.
Chocolate is yum and we can hide some then you can find it.

The easter bunny is really quite funny cos noone knows where he's from.
And then there's the chicks and baskets and the bell but we don't know why it's rung.

Easter is fun we can do painting for celebrating it.
Chocolate is yum and we can hide some and then you can find it.

Easter is fun we can do painting for celebrating it.
Chocolate is yum and we can hide some and then you can find it.

**Song Two**

I didn't know what day it was
An april afternoon
Turned on my radio, in my room
I heared a story that just made me want to smile

There was a bunny stuck
On the way to town
He missed his bus and is feeling down
He's carrying a lot of chocolate eggs for miles

There's an Easter Bunny not too far
He'd like to come and see us but he hasn't got a car

There's a hundred chocolate eggs to bring
I think he'd post them to us but you'd really have to sing

He told me
Let the children sing it
And then I can bring it
We'll have a happy Easter.

There's an Easter Bunny not too far
He'd like to come and see us but he hasn't got a car

There's a hundred chocolate eggs to bring
I think he'd post them to us but you'd really have to sing

He told me
Let the children sing it
And then I can bring it
We'll have a happy Easter.

**Song Three** (For younger children)

Bunny, bunny, bunny, you're so funny With your twitching nose (wiggle nose) Bunny, bunny, bunny, you're so funny From your head (point to head) to your toes (bend over and touch toes)
Bunny, bunny, bunny your ears are funny (make bunny ears with hands on top of head) They're too big for you…
Bunny, bunny, bunny, you're so funny… Everyone loves you (kids hug themselves)

**Activity Three** – Bunny Rabbits – Research.

Rabbits are fast-moving, big-eared mammals. There are about 25 different species of rabbits. They live in a variety of environments, including deserts, swamps, marshes, forests, grasslands, and prairies. Rabbits are found on every continent except Antarctica. Most rabbits live for about a year in the wild. They are hunted by dogs, foxes, raccoons, weasels, bobcats, lynxes, hawks, and eagles. They have a fast reproductive rate.

**Anatomy**: Rabbits range in size from 1 to 2 feet (30 to 60 cm) long. They have very big and powerful hind legs which they use for hopping and for digging burrows.

**Diet**: Rabbits are **herbivores** (plant-eaters). They eat grass, leaves, bark, and twigs.

**Activity Four** – Easter Bunny Egg Hunt.

**Activity Five** Easter Flashcards.

**Activity Six** Bunny Hop Dancing Game.

**Activity Seven** Easter Craft Time.

**Activity Eight** Bunny Hop Dancing Game.

**Activity Nine** Easter Bunny Worksheets.

**Activity Ten** Easter Basket Crispy Cakes.

The Easter Bunny is a character depicted as a rabbit.

In legend, the creature brings baskets filled with colored eggs, candy and toys to the homes of children on the night before Easter.
The Easter Bunny will either put the baskets in a designated place or hide them somewhere in the house or garden for the children to find when they wake up in the morning.
