Cold Weather

Let's talk about the cold weather we are having!

- What's the weather like?
- What's the season? Let's make a seasons wheel…
- Let's play – GUESS THE SEASON!
- What month is it?
- Did you feel cold this week ?
- What did you do to keep warm?
- Let's learn about Ella's Umbrella adventure…

Let's watch a weather forecast.

- NOW – Let's be weather forecasters and show that it's going to snow! Let's make a video as if you were really on the news ! Announce an exceptional cold snap!
- Let's make a colorful WEATHER MAN! With CLOUDS, RAIN, and SUNSHINE
- Antarctica is the coldest place in the world, let's see some pictures from Barnaby Bears trip there.

What are you wearing to keep warm today ?

- Flashcard fun
- Pictionnary
- Clothes worksheets
- Poem with actions

On a winter's day

I put on my coat.
I put on my hat.
I put on my boots
That I left on the mat.

I put on my scarf
Which is red, blue and grey.
I put on my gloves –
Now I'm ready to play!

Let's 'perform' this poem
With ACTIONS !!

Weather game – Pass the parcel. When the music stops open the envelope and take out an image. If you can say what it is (say a sentence about it for the older kids) then you will a prize!

Winter artwork! Get crafty!
