INTRODUCING….. YOU

Activity 1 - <u>True or false</u>
Each student writes two false sentences about themselves, and one true sentence

The others must guess the right answer - every student must write A, B, C on their paper then after the teacher counts to 3 they will hold up their answer

Activity 2 - <u>Get to know the teacher</u>
The teacher will write some questions on the board
In TEAMS students must write what they think the answer is for the teacher for each question

1. What is my favorite animal?
2. What is my favorite color?
3. Which month was I born?
4. Do I have a girlfriend or a wife?
